

The Alpha Course

An **Alpha Course** is an opportunity to explore the Meaning of Life, to develop and grow in faith and to become equipped to answer the questions we are asked each day by our children, our grandchildren and our friends. More than 25 million people all over the world have completed an Alpha Course. The 35-minute talks are given (on DVD) while some food is eaten. Then after the talks there is a short time (perhaps 15 minutes) to say what is on your mind.

There are 10 talks over the 10 weeks. The talks cover most of the questions that everyone seems to want to ask. They are:

1. Who is Jesus?
2. Why did Jesus die?
3. How can we have faith?
4. Why and how should I read the Bible?
5. Why and how do I pray?
6. Who is the Holy Spirit? / What does the Holy Spirit do?
7. How can I resist evil?
8. Does God Heal today?
9. Why and how should we tell others?
10. What about the Church?

What distinguishes **Alpha** is the easy-going relaxed feel of the proceedings. It is undoubtedly the most popular course in Christianity. **Alpha** allows space to explore the 'big questions' - life and death and their meaning. It helps to make clear the relevance of Christianity to modern life.

What's the point of life? What happens when we die? Is forgiveness possible? What relevance does Jesus have for our lives today?
